The Sea Day, also known as the Days of the Sea, has been celebrated for over 90 years and is inextricably linked to the history of the Polish presence on the Baltic Sea. It is a special time when sailors, port workers, sailors, fishermen, shipyard workers and all those whose lives are connected with the sea celebrate. The culmination of the celebrations is the Navy Day, traditionally falling on the last Sunday of June.

On June 24, in the Marek Grechuta Amphitheater in Świnoujście, a mass will be celebrated for the intention of 8FOW and the city of Świnoujście, followed by a march to the city beach, where the blessing of the sea will take place. This is the start of the city's
