🚢 Nuclear submarine K-403 "Kazan": from service in the Navy to the largest monument in Victory Park in Kazan

The conning tower of the nuclear submarine K-403 Kazan is one of the most notable military-historical memorials in the Victory Park of the city of Kazan.

The K-403 submarine was built at the USC Sevmash enterprise according to Project 667A of the USC Rubin design bureau in 1971.
